

**iACCESS LLC.**

**COMPANY PROFILE**

## iAXCESS LLC.

**iAXCESS is a reliable Regional Provider of leading IT Products and Security solutions. With a main office in Dubai, regional office in Jordan, Amman and reselling agents in the region. iAXCESS has been in the IT business for more than 3 years now providing IT solutions to Enterprises, ISP's and Mobile Operators, servicing clients in the Middle East and the Gulf Counsel countries. We are partnering with industry giants in the fields of Unified Threat Management appliances, Global Internet Roaming, Kaspersky Network Security Software (AntiHacker, Antivirus, AntiSpam), Disaster Recovery, Remote Control and offering the most reliable IT solutions at a competitive price.**

## About Us

**iAXCESS.is here to create a new market space and drive commercial opportunities to clients allowing them to grow and spread their footprints throughout the Middle East. We maintain a consistent approach to product delivery and support through providing reseller throughout the Middle East, empowering executives, salespeople, operations personnel, finance managers and others to spend more and more time on the road or otherwise work remotely. As today's market forces increasingly demand more global access and workforce mobility, we are presented with more and more threats. Thus, we are committed to delivering the best web security solution for anti-spyware, content filtering and employee Internet management. Our continual product innovations will help resellers satisfy client requirements with world-class solutions that are designed around business needs that will help clients reach their long-term performance and growth objectives**

## MISSION & VISION
